Chairman (C.E.O)

Mr. OMKAR NATH

Introduction

India's Growth Story

India's growth story is about brilliant entrepreneurs, who have been given the opportunity, the environment, exposure, and training to the spirit of entrepreneurship that endeavors to make the impossible happen. I pay tribute to all the entrepreneurs of today for enabling this change, and for helping create the India of tomorrow – a

confident young generation capable and passionate to take on the world on equal terms.

In every decade, it has undoubtedly been an inspiring journey, spearheading our leading organization. On this platform, it is very imperative our success to our esteemed clients for their trust and unstinting support, and also to our employees who have been the backbone of the leading edge performance.

While my inspiration comes from the saying, "**Be a Leader or Be with a Leader**" which has been ingrained in my mind since childhood, I have always professed that one should believe in oneself to achieve the impossible. I strongly believe that if you work steadfastly towards a goal, the whole universe shall conspire together to help you achieve your goal.

It is this belief that has motivated me to take on the challenge of becoming the "India's No. 1" Company towards which we are taking small but quantifiable steps.

Acknowledgements

I express my appreciation to all Distributors/ Members and the business partners for the continued support and the guidance in the hour of need.

The achievements are only possible through the combined efforts of the people associated with the Company **FUTURE SENSE MULTIWORK**, a dynamic business organization.

Every year, I demand a lot from the Distributors/ Members and every year they rise to the challenge.

I do believe that success on these fronts will build value for the company.

I would also like to extend my sincere thanks to all of you for providing unstinting and dedicated service to the Company and looking forward to your continuous esteemed support along with a prosperous rewarding association in the years to come.

On behalf of the board and management, I thank all of you for your commitment and co-operation!!

See you at the top!!
